

ICE 22 LIMITED SUPPLEMENTAL WARRANTY CLAIM FORM

Starzec Energy Efficiency Solutions, LLC (SEES), an exclusive and authorized reseller of ICE 22, hereby specifies to the purchaser of ICE 22 (Purchaser) the process for submitting a claim covering the compressor of any air conditioning unit (Unit) in which ICE 22 has been professionally installed by an authorized ICE 22 installer. In order to make a claim, the Purchaser must have activated the Limited Supplemental Warranty no later than sixty (60) days from the date of the installation of ICE 22.

Step 1.

Submit to SEES verification of date of installation of ICE 22 and the date of activation of the Limited Supplemental Warranty.

Step 2.

Submit to SEES proof that the Purchaser has attempted to gain repairs through the manufacturers' original warranty.

Step 3.

Submit to SEES written notification of rejection by the manufacture under the manufacturers' original warranty for compressor repair(s) and the reason for the rejection.

Step 4.

SEES reserves the right to inspect the compressor and determine if the problem was solely caused by ICE 22.

Step 5.

If SEES determines compressor failure is solely attributable to ICE 22, SEES at their sole discretion, will replace the compressor or the Unit with comparable equipment. The liability of SEES is limited to the cost of a replacement compressor and does not include the cost of labor.

Step 6.

If SEES determines compressor failure is not solely attributable to ICE 22, SEES reserves the right to reject the claim.

Please submit the above requested claim data to:
